
YOLO COUNTY DEMOCRAT.

Mixed Up.

I've wandered through the village, Tom
Along with Annie Lee,
To listen to the mocking bird,
In the cottage by the sea.
Raid's bay mare can't be beat,
While coming through the rye;
Let me kiss him for his mother,
Said the spider to the fly.
The colored girl and poor old Ned
Now swell our national song;
I'd offer you this hand of mine—
But take your time, Miss Long.
I'm lonely since my mother died—
Suzannah don't you cry;
We're all nodding through the world,
Then root, hog, or die.
Hark! I hear an angel sing,
Ah! daddy he's struck fire—
We're coming, Father Abraham,
Along with Annie Lee.
This song my mother used to sing,
The wearing of the green—
The girl I left behind me
To-day is sweet sixteen.
That nice young man and Fairy Belle
Are swinging in the lane—
The captain with his whiskers
Has married on the brain.
We will rally round the flag, boys,
For Johnny stole the ham—
Yankee Doodle, Hall Columbia!
Or any other man.

A GENTLEMAN whose hearing had been made good by a successful eye and ear doctor begins his grateful acknowledgment thus: "Dear doctor—I was born deaf, and so remained until a few months ago, when having heard of your wonderful power, etc. He'll do."

ORIGIN or snake worship is spreading horribly in the Republican party in the South. One of their latest festivals is a dance around kettles of boiling snakes and toads. The dancers call themselves "the angels of God." Grant intellectually represents his party well.

Two old ladies, who were known to be of the same age, had the same desire to keep the real number concealed. One used, therefore, every New Year's day, to visit the other, and say, "Madam, I am come to know how old we are to be this year."

A COWARDLY fellow having kicked a newsboy for pestering him to buy an evening paper, the lad waited till another boy accosted the "gentleman," and then shouted in the hearing of all bystanders: "It's no use to try him, Jim, he can't read."

"NINETEEN dresses in three weeks, and she said last night that she could not go to supper, because she had not a rag to her back!" "What did Gussy say?" "Why, that he could not either, he had no coat to his stomach."

"I EXPECT," said a young physician, on his way to Jamaica, on hearing exaggerated rumors of the cholera, "to witness a great many death-bed scenes this summer." "Doubtless," replied a friend, "if you get much practice."

A SHARP old gentleman, traveling out West, got a seat beside his wife in a crowded car by requesting the young man who sat by her to "please watch that woman while he went in another car, as she had fite."

AN M. O. recently in debate shouted: "Amicus Plato, amicus Socrates, sed major Veritas." The reporter next morning made the speech read: "I may cuss Plato, I may cuss Socrates, said Major Veritas."

Be careful of your health, girls. Don't mind being called "old fog" because you wrap yourselves up well and never venture out in thin shoes. Better be an old fog than a young corpse.

The chief of the Cherokees is a Presbyterian preacher; he of the Choctaws a Baptist preacher, and of the Creeks a Methodist preacher.

PACIFIC PROTECTIVE ASSOCIATION

Incorporated Oct. 1868.

The object of this Association is to secure a cash payment, within sixty days after the death of a subscriber, to his or her heirs or assigns, of as many dollars as there are individuals of the class to which said deceased subscriber belonged.

The subscription fees are TEN DOLLARS at joining, and ONE DOLLAR on the death of each subscriber. The One Dollar from each subscriber is paid to the heirs or assigns of the deceased.

The By-Laws of the Association require that a portion of the money received as subscription fees shall be a sinking fund to meet assessments falling due by the delinquencies of subscribers. The balance of the money received to be used for the expenses incurred by the Association.

A subscriber failing to pay his or her assessment of one dollar within Thirty Days from receipt of notice forfeits his or her Certificate, and all claims upon the Association, unless good cause is shown for further delay. A subscriber can forward money in advance, which amount will be credited on future assessments. The subscribers are divided into classes including males and females. Each class is limited to 5000 subscribers. As classes are filled, new ones will be formed. No person is so poor that cannot pay ten dollars at joining and One Dollar occasionally, thus securing \$500 to his or her heirs or assigns.

The advantages of this Association are, that no person can effect its benefits, as the benefits are easily attainable by all, and every subscriber added to the Association enhances the interest and protection of all; the amount paid being so small, and only at long intervals, that any person can secure for his family a competency upon his death.

In class A, all persons between the ages of 15 and 40 years. In class B, all persons between the ages of 40 and 60 years. Any one that has paid or will pay, or who can pay, or who is regularly appointed and authorized to receive money. Each subscriber should interest himself in obtaining new members; by so doing all are benefited.

G. J. OVERSHINE,

CARRIAGE AND WAGON MANUFACTURER.

Main street, (opposite Gray & Freeman's),
WOODLAND.

I would call the attention of the public to this well-known shop, where I manufacture to order and keep constantly on hand for sale

Carriages, Buggies, Sulkies,
CONCORD-STYLE THOROUGHBRACE
—AND—
LUMBER WAGONS,
—FROM THE—
BEST EASTERN MATERIAL,
Selected by myself!

All work manufactured at my shop is under my own immediate supervision, and up to the requirements of the times, of the latest style, and the most

APPROVED PATTERNS AND FINISH!
I employ no "foreman," for 30 years' experience in the trade—30 years in the Eastern States, 30 years on the Pacific coast, (including 9 years superintendence of the "Pioneer Carriage Shop," Sacramento,) justifies me in assuming that position. Delegating to none the supervision of my work, I am enabled to

Guarantee Satisfaction!
My LARGE and SPACIOUS SHOPS enable me to store large quantities of material, and my

SEASONING FACILITIES,
(the only perfect seasoning apparatus on the coast) enable me to defy competition in quality of seasoned work. For verification of above, one has only to examine my facilities in this line, and compare them with those in other shops. I do not pursue the course adopted by many; on the contrary, I season stock before working, and do not put up green stock in wheels, leaving them to season afterwards. I have and keep on hand a large stock of

OAK and HICKORY SPOKES,
of all sizes and the finest material the market affords. Also a large variety of
Elm and Locust Hubs.

Having given the Oak Hub a fair trial, I have become convinced that they are *unfit* for first-class work. Parties who may favor me with their patronage may be assured that

No green oak hubs will be found in my work!
In this connection I would call particular attention to my NEW STYLE LOCUST HUB, turned from my pattern, and imported expressly for this trade and

Found only at my Shop!
Also made to order all kinds of
FARMING IMPLEMENTS!
Plows, Harrows, &c.

I have now on hand Harrows of all sizes, with STEEL TEETH, superior to the imported article. In short, I am prepared to fill all orders, from a Wheelbarrow to a Horse's Nest.

THE PAINTING and TRIMMING DEPARTMENT
is equal to the best, and particular attention is paid to repairing and trimming old work.

BLACKSMITHING.
In all its branches, connected with the wood-work, and both are under my supervision.

I have on hand, for sale,
Flow-beams and Handles,
Neck-yokes,
Singletrees,
Stretchers,
Clevises,
Fifth-chains,
Lap-Rings,
Harrow-Teeth,
Etc., Etc.

All kinds of Plow and Wagon repairing done with neatness and dispatch. Determined to adhere to my long-established rule of manufacturing only the

Best Work from the Best Stock,
and having served my time at the two branches of carriage-work, (wood and iron) enables me to guarantee satisfaction in all cases, and to know, as foreman of my own shop, when work is

WELL DONE.
To those who have heretofore dealt at other shops, and consequently are unacquainted with my work, I would say GIVE ME A CALL and examine my stock and work. Believing that the surest test of the value of my work can be had in the verdict of those who use it, I respectfully refer the public to

The following named Gentlemen
who have and now are using Wagons and Buggies of my manufacture: E. Giddings, J. Lang-enour, J. Aldrich, Mr. High, H. Rhodes, Mr. Taylor, J. Jones, L. B. Ruggles, Gray & Freeman, J. Carver, J. Fishman & Kaufman, Ed-mund, S. M. Hyman, George Scott, Mr. Lad-den, Mr. Olds, Mr. Lusk, Mr. Hurlbut, R. Fritz, J. Lane, Wm. Davidson, and a host of others whose names can be given if required.

Thankful for past patronage, I respectfully solicit a continuance of the favor.

The ETHIOLINE removes all kinds of Grease Spots, etc., from silk, ribbons and cloth; it also cleans gloves in a few moments without affecting the color; and for cleaning wool or silk is invaluable. It is not offensive, like other preparations of the kind; on the contrary, it is an elegant perfume.
